

Ruby Berry

The product consists of luxury dessert sorbet which starts as pasteurized base mix, to which flavours are added. The dessert is served directly from the packaging in frozen ruby grapefruit shells (the manufacturer guarantees a minimum volume per shell of 125ml), and should be eaten after it has been allowed to thaw to the extent that the sorbet is slightly soft but not liquid. If the product is stored in its packaging at -18°C or colder, the manufacturer guarantees a shelf life of 24 months.
